

The School Bus Project

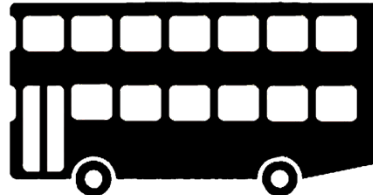

You don't have to go to school to get an education... school can come to you!

Fundraising Ideas

You can fund-raise by yourself or with friends
and family!

Popular Ideas

Have a themed day at school

Write a letter to your headteacher to ask if you can have a themed day. Decide what your theme will be & choose a day together. Every student who wears something special must bring a donation. Record voice messages about what you did & upload them to Soundcloud with images.

Transform your home or canteen into a restaurant

Set up as a restaurant and invite your friends or neighbours for a special meal. Send the School Bus Project the money you raised.

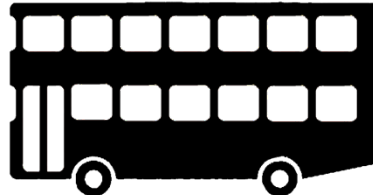

Host a bake sale

Bring cakes to school and ask for donations in return. You could even do something a bit special; find out what kind of cakes people eat in the refugee's home countries & learn how to make some.

Remember to take lots of pictures to share. No faces though!

Gift your favourite book

A book sale with a lovely twist. Bring your favourite story books to school & make a book stall.

1. Choose a book to gift to someone else
2. Write a personal message on a slip of paper
3. Make a donation of £2
4. Send it to a refugee via your school office.

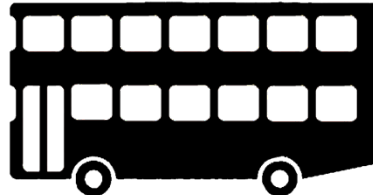

Sponsored sporting event

Teachers vs students basketball match?

Fancy dress three-legged race?

Chess match?

The audience make a donation to watch the match.

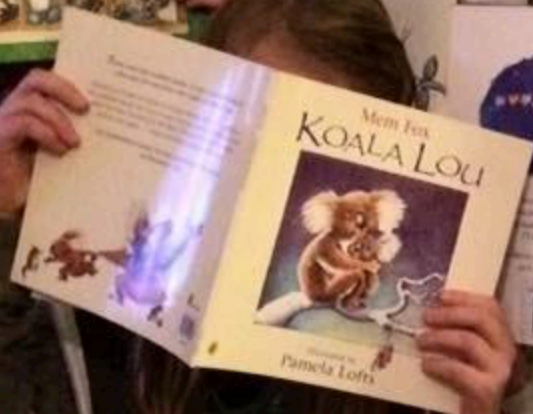

An original idea

We are especially thrilled when people come up with new ideas to raise funds and awareness. Please tell us about your ideas. Take lots of pictures (no faces) & voice recordings telling us all about what you are doing & why so that we can share them with the world.
